Marlborough Labor Day Parade Committee's Donation Drive Underway *Republic Services Donates \$1,500 to the Marlborough Labor Day Parade*

Marlborough, Mass. – Today, Mayor Arthur Vigeant proudly accepted a generous Marlborough Labor Day Parade sponsorship presented by Republic Services' Municipal Services Manager Terry Grady.

The success of each Marlborough Labor Day Parade is due in large part to donations and sponsorship made by individuals, organizations, and businesses like Republic Services. These contributors help to fund floats and entertainment from around the New England area; creating a memorable event for all ages.

"The parade is such a unique community event. Many residents remember attending this annual event when they were kids. It is a valued tradition experienced and shared by so many and would not take place without the support of our donors each year, says Mayor Vigeant."
